

Mark your calendars!

The next regular meeting will be held on **June 10th, 2008** at the **South Forty** on Route 104A in Sterling. It will begin promptly at **7:00 pm**.

MUD BOG/RODEO

The **Granby Mud Bog** is being held on **June 21st** at **Granby Fire Department** County Route 8. We need volunteers to help set-up. More information will be provided as it becomes available.

Our **annual summer camp-out** will be the weekend of **August 15th** to the **17th** at **Dick Lunkenheimer's** camp. We will be providing directions to those interested in attending.

FROM THE RIDE COORDINATOR:

Our first club ride on **May 25th** was a fun-filled day with several new members among the riders. We'd like to thank the President of All County ATV Club, **Paul Goodrich** and his wife, on becoming members of our club. They enjoyed the ride, gave us compliments on our trails, and believe we are doing a great job. I'm sure we'll see the two of them more often.

A couple of weekends ago, we had some new members from the Southern Tier come to camp and enjoy our trail system and enjoy they did! They enjoyed the trails a great deal and rode them all weekend but we all know what the 'Badlands' can do...twice out and twice towed back. Also, the coyotes were quite noisy and nearby and combined with the late night storytelling, the guys told us they hadn't slept well and that one had slept with a knife at his side. They were still ready and raring to go back out on the trails in the morning. We informed them that it was their 'initiation' as we knew they are 'city slickers'!

Our **next club ride** will be on **June 15th** at **1:00 pm** starting at the old **Dad's Diner** parking area. If anyone has any ideas on what they'd like to do please let me know.

Also, our Trail Bosses can always use help for trail maintenance. Please let one of them know if you'd like to donate an hour or so of your time.

FROM THE SECRETARY

Please start sending back 10-Gun Raffle tickets! If you are DEFINITELY going to sell the tickets you can keep them but **return any unsold tickets** that you are unable to sell so that others may buy/sell those tickets.

Also we still have NYSORVA tickets to sell that can be picked up at any club meeting. Supporting NYSORVA means supporting ATV's and public access to trails!

We need more volunteers to help build campsites and clear the recently purchased club land.

TRAILS

There will be an update on the status of the Cayuga County trails at the next meeting. We continue to work on getting a trail to the American Legion in Hannibal.

FROM THE PRESIDENT

The **10-Gun Raffle** will be held on **August 12th** at **Alexander's Steak & Spirits** at **4:00 pm** with a spaghetti dinner being served. Additional details will follow as the event draws closer. Due to the conflict with the spaghetti dinner, the August club meeting will be held on the **THIRD Tuesday** (the 19th) of the month instead of the **SECOND Tuesday** of the month.

Parade season is nearly here! The **Fair Haven parade** is on **July 3rd** and we will be lining up at **6:30 pm** with the start time set for 7:00 pm. The Hannibal parade will be held in August (more details to follow). **PLEASE SHOW YOUR SUPPORT!!!!**

Please slow down on the trails! We are not a racing club and we must respect our landowners as the trails are **NOT PUBLIC**.

The 50/50 winner from May's Club meeting was Jermey Bomgren who won \$55 and donating \$30 back to the club.
